WELCOME FROM OUR LEADERSHIP TEAM

A West Coast Fever corporate membership means you will not only be supporting a club of elite female athletes, you will be supporting the reigning Suncorp Super Netball Champions.

Our players are group of inspirational leaders and amazing role models and watching them play live at RAC Arena is one of the most exciting experiences in WA sport. Bringing your corporate clients to be part of the Green Army for a day is an affordable way to offer a memorable, one of its kind corporate networking opportunity, while also supporting elite women's sport.

We look forward to seeing you and your clients United in Green in 2023!
