

The West Coast Fever Netball Club is commencing its recruitment for a new Assistant Coach for the West Coast Fever Netball Team in the 2023 Season and beyond and is seeking an Expression of Interest for the role.

West Coast Fever Netball Club was formed in 2008 and over the past five years West Coast Fever has delivered continued improvement in performance competing in three Grand Finals and winning it's first Premiership in 2022, sustainable growth of partnerships and alliances, a growing membership and fan base and a strong people first focus with stability across team members and high performance staff.

We are looking for a proven leader that will actively support our Head Coach in leading and managing the development and implementation of a world class high performance program and a culture of success, contribute to the coaching and technical direction of the teams playing performance, support the Western Australian athlete pathway by continuing to identify emerging talented athletes from within, and with integrity lead the values and behaviors of West Coast Fever Netball Club.

If you are ready to join West Coast Fever as we strive for continued success, then please send your Expression of Interest to sue.gaudion@westcoastfever.com.au and answer the following questions:

- What interests you in applying for the West Coast Fever Assistant Coach Position?
- Why would you potentially be the best Assistant Coach for West Coast Fever in 2023?

Expression of Interest close WST 5pm on Wednesday 26th October 2022
